

## Procedure for Consideration of Agenda Items:

1. The Agenda item is called by the Chair
2. The item is presented by staff or the person bringing the item to the Commission
3. Commission members have the opportunity to ask questions
4. Members of the public are invited to comment. Reasonable time limits may be placed, such as 5 minutes per individual or 10 for a group presentation
5. The public comment period is closed
6. The item is deliberated by the Commission
7. Action on the item may take place
